

# Christmas 2018 waste and recycling collections

Households are encouraged to find out more about arrangements for waste and recycling collections over Christmas and New Year.

## Collection schedules

Collections will continue to take place as usual over the Christmas and New Year period, **except for Christmas Day and New Year's Day:**

- If your collection is due on Christmas Day (Tuesday, 25 December) it will instead take place on Saturday, 29 December.
- If your collection is due on New Year's Day (Tuesday, 1 January) this will instead take place on Saturday, 5 January.

## Extra recycling collection

Your blue-lidded recycling bin will continue to be collected as usual over Christmas and New Year, with the addition of an **extra collection for all households in the week beginning 7 January** - please put your recycling bin out on your usual collection day alongside any other bins that are scheduled. Please also note that this extra collection is not listed on the paper calendar you received in June.

Extra recycling that you cannot fit in your blue-lidded bin will also be collected during the festive period -please place items into clear or white bags (not black or green sacks) and put them next to your bin.

Don't forget that a range of festive items can be recycled, including sweet tins, and foil-free wrapping paper and Christmas cards. As a good rule of thumb, wrapping paper that can be torn is probably made from paper and can therefore be recycled.

## General waste

Black bins containing general waste will continue to be collected as normal on their three-weekly cycle. Please make sure you recycle as much as possible as side waste and bins with raised lids will not be collected.

## Food waste

Food waste bins will continue to be collected on their usual weekly schedule. Please remember you can recycle leftover raw and cooked foods, including veg peelings, egg shells, out-of-date food, plate scrapings, solid fats, meat and fish bones. Please do not put any liquids in the caddy.

## Garden waste collections

Those subscribed to the service will continue to receive collections on their usual schedule in the run up to Christmas and New Year. Please note there will be a short break in collections during the second week of January so that crews can focus on the extra seasonal recycling.

## Christmas trees

Households subscribed to the garden waste service can put their real Christmas trees in their garden waste bin or alternatively place them alongside the bin for collection in the week beginning 22 January.

There are no communal collection points for real Christmas trees, but you can take trees to your local household waste recycling centre. Find your nearest centre at [www.daventrydc.gov.uk/recycling](http://www.daventrydc.gov.uk/recycling)
